1. Collection, processing and use of personal data

Using our services, you provide personal data to us.

As part of the registration for our services, we need the following information from you: First Name, Last Name, Email and Organization. Within a deeper use of our services we might ask for the following optional information: Telephone number, Telefax number, Job title, Photo.

Otherwise, no personal data will be collected.

Your personal data may only be processed beyond the statutory authorization conditions on the basis of your express authorization.

2. Use of “cookies”

These services use its own “cookies” in order to enhance user-friendliness (“cookies” are data sets that are sent to the user’s browser from the web server, and are stored there for later recall). No personal data are stored in our “cookies.” You can prevent the use of “cookies” in general if you disallow the storage of “cookies” in your browser. Removing or rejecting our cookies will affect how our services work for you, and you will not be able to experience the services.

3. Corrections and Updates

Hype Softwaretechnik GmbH allows customers who use our services to update or modify their information by clicking on the Settings link in the HYPE Enterprise Express navigation menu.

4. Further information and contacts

If you have any questions about this Data Privacy Policy, you can contact us at dataprotection@hype.de.
